PROFESSIONAL SUMMARY

HNDIT student at SLIATE with a growing foundation in UI/UX design. Familiar with Figma, wireframing, prototyping, user flows, and responsive design. A quick learner with strong creativity, problem-solving and communication skills, seeking a UI/UX Design Internship to gain practical experience and further develop design skills in a professional environment.

EDUCATION

Higher National Diploma in Information Technology (HNDIT)

Sri Lanka Institute of Advanced Technological Education (SLIATE) – Advanced Technological Institute, Dehiwala | 2024 – Present

G.C.E. Advanced Level

D.S. Senanayake Central College Mirigama | 2023

G.C.E. Ordinary Level

Pasyala Maha Vidyalaya | 2021

TECHNICAL SKILLS

Programming Languages: Java, JavaScript, C# (basic)

Web Technologies & Frameworks: HTML5, CSS,

WordPress (basic) Databases: SQL, MySQL Tools

Version Control: Git, GitHub, VS Code

SELECTED PROJECTS

Hotel Management System

Technologies: Java Swing, JDBC, MySQL, NetBeans

- Developed a desktop-based Hotel Management System using Java Swing, JDBC and MySQL..
- Implemented customer, employee, driver, room and department management functions.
- Developed Room Search , Room Status , Check-in , Check-out and Pickup functions.
- Used JDBC for database connectivity and NetBeans for application development.

FoodHub – Food Delivery App UI/UX

Figma, UI/UX Design, Clay Mockup

- Designed a modern food delivery mobile app home screen focusing on local restaurants in Daladagama & Kuliypitiya, with locationbased discovery.
- Created category filters (Burgers, Pizza, Rice, Drinks) and restaurant cards with ratings, delivery time, distance and promo tags. • Designed the UI in Figma and created a 3D iPhone mockup presentation using Clay Mockup plugin.
- Prototype: <https://bit.ly/4Ajuxyl>

InternHub – Internship Discovery App(UI/UX Case Study)

- Designed a mobile app concept to help Sri Lankan students discover and explore internship opportunities.
- Created 3 key screens: Home (Internship Search & Filters), Job Details, and Direct Chat with HR.
- Designed job listings with company details, salary, location, requirements, and responsibilities.
- Created an interactive Figma prototype with navigation between internship discovery, job details, and HR chat. Tools: Figma, Auto Layout, Component System
- Design: iPhone 13 (390px)
- Prototype: <https://bit.ly/4dfm7OD>

CERTIFICATIONS

- Diploma in Information Technology - Oxford Training College | 2022
- National Vocational Qualification (NVQ) Level 4 - VTA | 2025
- Web Design for Beginners – University of Moratuwa | 2025
- Testing for Beginners – Simplilearn | 2026
- Python for Beginners - University of Moratuwa | 2023
- Figma for Beginners – Simplilearn | 2026
